Born in Uruguay, november 27, 1970.

Joined Military School in 1992.

I Served in the Special Operations Command of the Uruguayan Army as Commander, supporting operations in aspects of human intelligence, physical security and High-Risk Military Operations.

Currently working on business travel planning, coordination and all logistical details for personalities, celebrities and individuals with an ultra high net worth (UHNWI) .

Currently working also as weapons instructor, vehicle driving and defense instructor, for public and private orbit.

### EXPERIENCES

#### 1992-2015 ACTIVE MILITARY CAREER

- Planning and training special operations Brigade leaders
- Execution of several tours of duty integrating and commanding United Nations Peace Keeping Contingents.
- Leadership of multi-purpose teams, support for the disarmament and demobilization of combatants (DDRR), patrolling, clearing of routes, towns and cities controlled by guerrilla factions in war zones.

#### 2015-2022 PRIVATE SCOPE

- Advice to personalities, politicians and security services
- Leadership of close protection teams for renowned families, living the experiences of transitions in family life, as well as sudden changes in activities, which forced me to implement new protection strategies adjusted to their needs.
- Instructor of advanced driving, weapons and defense techniques for legitimate firearms users.
- Instructor of Close Protection teams and units both in public and private sphere.
- Honorary instructor at the National School of Peace Operations and Multiple Units of the National Army
- Experience working outside borders. (Europe and South America)
